## Presidents Message

I hope everyone has been having a great summer. In July, we got our IMA year off to a great start by holding a very productive council meeting in Modesto. Thanks to all of you that attended and to Trudi Pauley for taking care of the arrangements.

I encourage you to take advantage of networking opportunities by attending Council meetings. We have been able to share a lot of best practices with other chapters. It is also a great forum to discuss chapters having joint meetings. It is also another opportunity for you to bounce business situations off other members that you may not necessarily see at your chapter meetings. Networking within this organization has been one of the best benefits that I have experienced from my involvement in the IMA. I have been personally networking with the New York Metro Council President. We have exchanged ideas and have discussed the similar challenges of chapters in large cities... New York City vs. San Francisco. By attending the last three IMA committee meetings, I have made several contacts and have had direct interaction with IMA staff and Chair leaders.

The next council meeting will be held in Honolulu, Hawaii on Saturday, October 22<sup>nd</sup>. The program will also include two days of CPE on Thursday, October 20<sup>th</sup> and Friday, October 21<sup>st</sup>. The agenda for the meeting follows. Former IMA Chair, Kim Wallin will be giving us an IMA update. If you would like to attend, please contact me at [ddimare@aol.com](mailto:ddimare@aol.com). Realizing that many of you will not be able to personally attend the meeting in Hawaii, the Council will be pro-

viding remote access via a telephone conference call. Dial 1-800-369-1540 and use code 54958 followed by the # sign. Our plan is to make this technology available for all future meeting especially for those of you in Hawaii and Reno who are not able to make it to our meetings in California.

The February, 2006 meeting will be held in the East Bay. I would like each of your chapters to send two delegates to this meeting. Lunch after the meeting will be recognizing past council presidents.

I look forward to seeing many of you in the future. I plan on attending as many technical sessions at as many chapters as I can during this IMA year.
